By Alexander Levitov, Paul Mayo, Anthony Slonim : Critical Care Ultrasonography (with DVD) society of critical and emergency sonography malaysia we provide multiple range of courses for critical care ultrasonography Critical Care Ultrasonography (with DVD):

4 of 4 review helpful Good Text Pictures not anottated and DVD silent By N Aoun I like the text it s well written and well referenced But I feel that the textbook was done on the cheap They did not bother annotate the pictures No arrows no arrowhead to point at the structures on the US image you are left to guess some images have arrows but those were generated by the US machine and NOT during printing and edi A complete hands on guide to successful image

acquisition and interpretation at the bedside The real strength of this textbook is its clinical focus The editors are to be complimented on keeping a consistent structure within each chapter beginning with basic physical principles practical
ldquo knobology rdquo scanning tips key findings pitfalls and limitations and how the key findings relate to bedside
patho physiology and decision making About the Author Alexander Levitov MD FCCM Senior Staff Department of
Medicine Carilion Clinic Professor Medicine Virginia Tech Carilion School of Medicine Roanoke VA Paul H Mayo
MD FCCP Director MICU Long Island Jewish Me
