By Helmut J. Schwarz, Heinrich Hora : Laser Interaction and Related Plasma Phenomena, Vol. 3A rex research established 1982 collects and disseminates reports about suppresseddormantemerging science inventions technologies experiments and bibme free bibliography and citation maker mla apa chicago harvard Laser Interaction and Related Plasma Phenomena, Vol. 3A:

As was the case in the two preceding workshops of 1969 and 1971 the Third Workshop on Laser Interaction and

Related Plasma Phenomena held in 1973 was of international character The main purpose was to review the advanced status of this particular and turbulent field of physics as it had developed vigorously in all major laboratories of the world since 1971 Due to recently accelerated advancements it was hardly possible to present a comprehensive tutorial review
