Emergency, Care and Transportation of the Sick and Injured:

3 of 3 review helpful save your money By bigbaldguy Bought this as a companion to the text book for a EMT class
Honestly it was a waste of money Like probably 99 percent of students I did maybe 10 percent of the activities in it

and gave up The way it is set up is very tedious with lots of writing There are some multiple choice questions but almost none of them are scenario based and are therefore not suitable for prepa Book by
