urban decay cosmetics naked palette i love my naked palette alotive been looking for years for an eye shadow that will

stay on and not sweat off The Naked Eye:

How the revolution of laser surgery has unshackled the human eye Of the five senses vision is the most astonishing This is how we weave our way through the world And although the eye has evolved over millions of years to give us crystal clear vision it is a modern day phenomenon that in evolutionary terms our eyesight is going backwards Due to presbyopia we are now dependent on reading glasses for half our lives In parts of East Asia up to 90 of
