Emergency Department:

0 of 0 review helpful The inside scoop on the Emergency Room By 34 Matthew 24 34 I loved the book I worked over 15 yrs in the ER and it was my favorite nursing job The book might seem a little crazy to some but it captures the unusual things that happen in ERs No two days alike and great esprit de corps that exists among staff in the ER People don't work there unless they love it and so they work well together Stories from the Emergency Department nbsp A real look inside of an Emergency Department as an Emergency Physician of 20 years remembers some of the cases she has seen that are nbsp the most memorable nbsp Real stories about the patients nurses consulting physicians and daily life of a busy Emergency Department nbsp Get a glimpse inside the inner workings of an Emergency Department and the staff that works there caring for patients and their families nbsp Fr About the Author Dr Mary Beth Engrav is a Board Certified Emergency Physician She has practiced Emergency Medicine for 20 years
