0 of 0 review helpful Great book By L FiveMile For anyone suffering with psoriasis or psoriatic arthritis a good read with good information about supplements to take and treatments There are currently 7 5 million psoriasis sufferers in The United States alone Are you one of them What treatment is best for you Psoriasis is more than just a skin disease

It's actually a condition affecting the immune system We know what psoriasis is however it's not the fact that we have the disease that bothers us What really gets to us is the embarrassment that we go through every time people react so tactlessly to our skin condition Psoriasis
