The Real Way Out: A Self-Education Guide to Complete Natural Healing:

10 of 10 review helpful It works By E B My psoriasis began with a small itchy spot on the back of my head For several years it would come and go Then the summer of 2005 it suddenly covered my entire head in a matter of a month What misery It itched so at times I could hardly stand it and a good night s sleep became a thing of the past I went to a dermatologist and he pronounced my fate No cure But I could w This is a book for the determined not for the quick fix crowd A clear understanding of the underlying causes of psoriasis is presented one that flies in the face of current drug oriented treatments It is also one that recognizes the true causes and alleviation of psoriasis that have actually been known for decades Leading edge strategies are also revealed and resources are listed The book is blunt and does not coddle the reader Rather it requires participation From the Author If you have had enough of endless treatments of marching back and forth to the doctor only to receive more ointments or drugs then it s time you got off the hamster wheel If you re ready really ready then this book will turn your head comp
